

APPRECIATION LETTER

LeakXpert (M/s Bhagyodaya Sales and Services) team has attended a critical oil leakage from main tank top of Unit Transformer-3 (45 MVA, 16.5 KV/6.9 KV) at NTPC Bongaigaon.

We appreciate the prompt response of LeakXpert team as they deputed their service team immediately after confirmation of the order to take up the job. Further, we also appreciate their expertise in arresting the oil leakage without draining of transformer oil using their sealing product-Powerpatch by Polywater.

The oil leakage is arrested successfully and is presently under observation.
